PLANO, Texas--(BUSINESS WIRE)--Jul. 23, 2012-- Rent-A-Center, Inc. (the "Company") (NASDAQ/NGS: RCII), the nation's largest rent-to-own operator, today announced revenues and earnings for the guarter ended June 30, 2012.

Second Quarter 2012 Results

Total revenues for the quarter ended June 30, 2012, were \$749.7 million, an increase of \$51.4 million from total revenues of \$698.3 million for the same period in the prior year. This 7.4% increase in total revenues was primarily due to growth in the RAC Acceptance segment. Same store sales for the quarter ended June 30, 2012, increased 2.8%.

Net earnings and net earnings per diluted share for the three months ended June 30, 2012, were \$44.2 million and \$0.74, respectively, as compared to \$39.9 million and \$0.63, respectively, for the same period in the prior year. Net earnings and net earnings per diluted share for the three months ended June 30, 2011, were reduced by \$4.9 million, and approximately \$0.05 per share, respectively, due to a pre-tax restructuring charge related to the acquisition of The Rental Store, Inc., as discussed below.

Net earnings per diluted share for the three months ended June 30, 2012, were \$0.74, as compared to adjusted net earnings per diluted share of \$0.68, when excluding the pre-tax restructuring charge above, for the three months ended June 30, 2011, an increase of 8.8%. These results include dilution related to the Company's international growth initiatives of approximately \$0.08 per share for the three months ended June 30, 2012, and \$0.03 per share for the same period in the prior year.

"We are generally pleased with our results in the quarter, as total revenues increased over 7% and earnings per share increased close to 9%," said Mark E. Speese, the Company's Chairman and Chief Executive Officer. "The RAC Acceptance segment performed exceptionally well nearly doubling revenue from a year ago to \$77 million, with a gross profit margin of 58% and an operating profit of \$7 million," Speese continued. "Our Core U.S. segment experienced a 1.6% growth in total revenue in the quarter keeping us on track to achieve our 2012 total revenue guidance of 7% to 10% growth and our 2012 diluted earnings per share guidance of \$3.00 to \$3.20," Speese concluded.

Six Months Ended June 30, 2012 Results

Total revenues for the six months ended June 30, 2012, were \$1.585 billion, an increase of \$145.0 million from total revenues of \$1.440 billion for the same period in the prior year. This 10.1% increase in total revenues was primarily due to growth in the RAC Acceptance segment as well as growth in the Core U.S. segment. Same store sales for the six months ended June 30, 2012, increased 4.5%.

Net earnings and net earnings per diluted share for the six months ended June 30, 2012, were \$96.1 million and \$1.61, respectively, as compared to \$84.1 million and \$1.32, respectively, for the same period in the prior year.

Net earnings and net earnings per diluted share for the six months ended June 30, 2011, were impacted by the following significant items, as discussed below:

- A \$4.9 million pre-tax restructuring charge, or approximately \$0.05 per share, related to the acquisition of The Rental Store. Inc.:
- A \$7.3 million pre-tax impairment charge, or approximately \$0.07 per share, related to the discontinuation of the financial services business; and
- A \$2.8 million pre-tax litigation expense, or approximately \$0.03 per share, related to the settlement of wage and hour claims in California.

Collectively, these items reduced net earnings per diluted share by approximately \$0.15 for the six months ended June 30, 2011.

Net earnings per diluted share for the six months ended June 30, 2012, were \$1.61, as compared to adjusted net earnings per diluted share for the six months ended June 30, 2011, of \$1.47 when excluding the items above, an increase of 9.5%.

Through the six month period ended June 30, 2012, the Company generated cash flow from operations of approximately \$161.1 million, while ending the quarter with approximately \$101.1 million of cash on hand. During the six month period ended June 30, 2012, the Company repurchased 488,731 shares of its common stock for approximately \$16.5 million in cash under its common stock repurchase program. To date, the Company has repurchased a total of 29,811,484 shares and has utilized approximately \$732.0 million of the \$800.0 million authorized by its Board of Directors since the inception of the plan. Also, reflecting continued confidence in its strong cash flows by returning cash to stockholders, the Company will pay its ninth consecutive quarterly cash dividend on July 25, 2012.

2012 Guidance

The Company began presenting segmented financial information commencing with its Annual Report on Form 10-K for the year ended December 31, 2011. Accordingly, quarterly segmented operating results were initiated with the quarter ended March 31, 2012. The Company is committed to high levels of disclosure and transparency with respect to its operating segments.

In addition, the Company made certain changes to its guidance practices. Beginning with the fourth quarter 2011 earnings press release, the Company began providing annual guidance with quarterly updates on the metrics below. The Company will no longer provide quarterly earnings per share guidance; however, the Company has made available on its web site (investor.rentacenter.com) a range of the percentage contribution to full year diluted earnings per share by quarter based on historical results since 2009. In future years, the Company will provide its initial annual guidance for the following fiscal year with the fourth quarter earnings press release. We believe these changes in guidance practice will allow management to focus on the Company's long-term performance and the execution of our strategic plan as communicated in November 2010.

2012 Guidance

- 7% to 10% total revenue growth.
 - Low single digit growth in the Core U.S.
 - Over \$300 million contribution from RAC Acceptance.
- 2.5% to 4.5% same store sales growth.
 - o Split evenly between Core U.S. and the impact of RAC Acceptance.
- 100 basis points gross profit margin decrease.
 - Primarily due to the impact of RAC Acceptance.
- 50 basis points operating profit margin decrease.
- Diluted earnings per share in the range of \$3.00 to \$3.20, including approximately \$0.25 to \$0.30 per share dilution related to our international growth initiatives, which now includes corporate allocations consistent with our segment reporting.
- Capital expenditures of approximately \$105 million.
- The Company expects to open approximately 50 domestic rent-to-own store locations.
- The Company expects to open approximately 200 domestic RAC Acceptance kiosks.
- The Company expects to open approximately 60 rent-to-own store locations in Mexico.
- The Company expects to open approximately 10 rent-to-own store locations in Canada.
- The 2012 guidance does not include the potential impact of any repurchases of common stock the Company may make, changes in future dividends, material changes in outstanding indebtedness, or the potential impact of acquisitions, dispositions or store closures that may be completed or occur after July 23, 2012.

2011 Significant Items

Restructuring Charge. As previously reported, the Company recorded a \$4.9 million pre-tax restructuring charge during the second quarter of 2011 related to post-acquisition lease terminations in connection with the December 2010 acquisition of The Rental Store, Inc. This pre-tax restructuring charge of \$4.9 million reduced net earnings per diluted share by approximately \$0.05 in both the three month and six month periods ended June 30, 2011.

Financial Services Charge. As previously reported, the Company recorded a pre-tax impairment charge of \$7.3 million during the first quarter of 2011 related primarily to loan write-downs, fixed asset disposals (store reconstruction) and other miscellaneous items in connection with the discontinuation of the financial services business. For the six months ended June 30, 2011, this pre-tax impairment charge of \$7.3 million reduced net earnings per diluted share by approximately \$0.07.

Settlement of Wage & Hour Claims in California. As previously reported, the Company recorded a \$2.8 million pre-tax litigation expense during the first quarter of 2011 in connection with the settlement of certain putative class actions pending in California alleging various claims, including violations of California wage and hour laws. For the six months ended June 30, 2011, this pre-tax litigation expense of \$2.8 million reduced net earnings per diluted share by approximately \$0.03.
