BOARD INFORMATION

Board Meetings: During 2004, our Board of Directors met ten times, including regularly scheduled and special meetings. Each director attended all meetings of the Board during his or her service as a director, except that Messrs. Fadel, Berg and Jhawar and Ms. Burton were each unable to attend one meeting after receiving or waiving proper notice. All of our directors attended more than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of the Board committees on which they serve. The Board also took action by unanimous written consent four times during 2004.

Independent Directors: The Board has determined that the following directors are "independent" as defined under Nasdaq rules: Richard K. Armey, Laurence M. Berg, Mary Elizabeth Burton, Peter P. Copses, Andrew S. Jhawar, and J.V. Lentell.

Board Committees: The standing committees of the Board during 2004 include the Audit Committee, the Compensation Committee, the Finance Committee and the Nominating Committee. Each of the Audit, Compensation and Nominating Committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by us.

Under our stockholders agreement, each committee of our Board must consist of three directors, one of whom must be a director designated for nomination by Apollo. Under our Certificate of Incorporation, so long as our Series C Preferred Stock is outstanding, one member of each of the Audit Committee, the Compensation Committee, the Finance Committee and the Executive Committee, if one is created, must be a director who was designated for nomination by Apollo.

The Audit Committee assists the Board in fulfilling its oversight responsibilities by reviewing (1) the financial reports and other financial information provided by us to any governmental body or the public, (2) our systems of controls regarding finance, accounting, legal compliance and ethics that management and the Board have established, (3) our independent auditor's qualifications and independence, (4) the performance of our internal audit function and our independent auditors, and (5) the efficacy and efficiency of our auditing, accounting and financial reporting processes generally. The Audit Committee has the direct responsibility for the appointment, compensation, retention and oversight of our independent auditors, and reviews our internal audit department's reports, responsibilities, budget and staffing. The Audit Committee also pre-approves all audit and non-audit services provided by our independent auditors and oversees compliance with our Code of Ethics. A copy of the Audit Committee Charter is available on our website at www.rentacenter.com. The Audit Committee reviews, updates and assesses the adequacy of the Audit Committee Charter on an annual basis.

The Board has determined that each of Messrs. Armey and Copses and Ms. Burton is "independent" as defined by SEC and Nasdaq rules. In addition, the Board has determined that each of them is an "audit committee financial expert" as defined by SEC rules and meets the financial sophistication requirements of Nasdaq. The Audit Committee held twelve meetings in 2004. *Members: Mr. Copses, Chairman, Mr. Armey and Ms. Burton.*

The Compensation Committee discharges the Board's responsibilities with respect to all forms of compensation of our Chief Executive Officer and other senior executives, administers our equity incentive plans, and produces the annual report on executive compensation set forth later in this proxy statement. The Compensation Committee held one regular meeting in 2004 and acted by unanimous written consent four times during

2004. All members of the Compensation Committee are non-employee directors and are "independent" under Nasdaq rules. The Board has adopted a charter for the Compensation Committee, which can be found at www.rentacenter.com. *Members: Mr. Lentell, Chairman, and Messrs. Arney and Berg.*

The Finance Committee. Under our Certificate of Incorporation, the Finance Committee must approve the issuance of our debt and equity securities, except in limited circumstances. In certain cases, the approval of the Finance Committee must be unanimous. The Finance Committee met three times during 2004. *Members: Mr. Speese, Chairman, and Messrs. Copses and Lentell.*

The Nominating Committee. Under our Bylaws, only persons who are nominated in accordance with the procedures set forth in our Bylaws are eligible for election as, and to serve as, members of our Board. Under our Bylaws, nominations of persons for election to our Board may be made at a meeting of our stockholders (a) by or at the direction of our Board or (b) by any stockholder, provided they comply with the provisions of Article I, Section 9 of our Bylaws. The Board has delegated the screening and recruitment process for board members to the Nominating Committee. The Nominating Committee selects individuals it believes are qualified to be members of the Board, and recommends those individuals to the Board for nomination for election or re-election as directors. From time to time, the Nominating Committee may engage a consultant to conduct a search to identify qualified candidates. The Nominating Committee then undertakes the evaluation process described below for any candidates so identified.

The Nominating Committee believes that the minimum requirements for a person to be qualified to be a member of the Board of Directors are that a person must be committed to equal opportunity employment, and must not be a director, consultant, employee of or to any competitor of ours (i.e., a company in the rent-to-own business). The Nominating Committee also believes that members of the Board should possess character, judgment, skills (such as an understanding of the retail and rent-to-own industries, business management, finance, accounting, marketing, operations and strategic planning), diversity, and experiences with businesses and other organizations of a comparable size and industry. The Nominating Committee evaluates whether certain individuals possess the foregoing qualities and recommends to the Board for nomination candidates to serve as our directors. This process is the same regardless of whether the nominee is recommended by one of our stockholders.

The Nominating Committee will consider candidates for nomination proposed by stockholders, so long as the stockholder provides notice and information on the proposed nominee to the Nominating Committee through the Secretary in accordance with the provisions of Article I, Section 9 of our Bylaws relating to direct stockholder nominations. For the Nominating Committee to consider candidates recommended by stockholders, Section I, Article 9 of our Bylaws requires that the stockholder provide notice to our Secretary (a) not less than 90 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, or (b) with respect to an election to be held at a special meeting of stockholders for the election of directors, not later than the close of business on the tenth day following the day on which notice of the date of the special meeting was mailed to the stockholders. The notice to our Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected), and (b) as to the stockholder giving the notice (i) the name and address, as they appear on our books, of such stockholder and (ii) the class and number of shares of our voting stock which are beneficially owned by such stockholder.

The Board has determined that each member of the Nominating Committee is "independent" as defined by Nasdaq listing standards. The Nominating Committee met once in 2004. The Board has adopted a written charter for the Nominating Committee,

which is available on our website at www.rentacenter.com. *Members: Ms. Burton, Chairperson, and Messrs. Copses and Lentell.*

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Committee: The Compensation Committee reviews and approves the compensation levels for our senior executives, evaluates the performance of our senior executives, administers our equity incentive plans and considers any related matters for us.

Overall Philosophy and Objectives: We have developed a compensation program for our senior executives designed to meet the following goals:

- Reward performance that increases the value of your stock;
- Attract, retain and motivate senior executives with competitive compensation opportunities;
- Build and encourage ownership of our shares;
- Balance short-term and long-term strategic goals; and
- Address the concerns of our stockholders, employees, the financial community and the general public.

To meet these objectives, we review competitive compensation data and adjust the base salary and annual and long-term incentive programs as discussed below.

Senior Executive Compensation: *Overview.* In determining compensation levels, the Compensation Committee considers salary and bonus levels which will attract and retain qualified senior executives when combined with the other components of our compensation programs, including long term stock based equity grants. Our compensation policy incorporates specific annual performance criteria, both on an individual basis, as well as for the company as a whole, which we believe contributes to long-term shareholder value. Stock price performance has not been an important consideration in determining annual compensation because the price of our common stock is subject to a variety of factors outside our control. The Compensation Committee considers numerous factors, including our financial performance, the individual contribution of each senior executive, compensation practices of comparable companies and general economic factors. The Compensation Committee, in certain cases, offers senior executives equity compensation in addition to salary in keeping with our overall compensation philosophy, which attempts to place equity in the hands of our senior executives in an effort to further instill stockholder considerations and values in the actions of our senior executives. The available forms of senior executive compensation include base salary, cash bonus awards and incentive stock options, restricted stock awards and stock appreciation rights.

Salaries. Senior executives' salaries are determined by evaluating our financial performance, the most recent comparative peer data, as well as the senior executive's role and responsibilities. Individual salaries are reviewed annually and salary increases are based on the senior executive's performance and compensation of similarly situated individuals at comparable companies. The Compensation Committee utilizes statistical compensation studies of comparable companies in similar industry, size, and region to determine base salaries for our senior executives. Base salaries are targeted at the median of the market.

Cash Bonus. The Compensation Committee has approved a cash bonus program for the 2005 fiscal year in which our senior executives, other than Mark E. Speese, our Chief Executive Officer, are eligible to participate. Bonuses are capped at a certain percentage of the eligible participant's base salary, with the percentage depending on the individual's position with us. Of the maximum cash bonus amount an eligible participant may earn, 40% is contingent on the achievement by us of a target amount of after tax profit, and the remaining 60% is subject to the achievement of individual goals and objectives, which are set at the beginning of the fiscal year. The Compensation Committee, in its sole discretion, may recommend to the Board a bonus to be paid to our Chief Executive Officer for the 2005 fiscal year.

Deleted: ,

Long Term Incentives. In addition to base salary and cash bonus awards, the Compensation Committee from time to time may consider long-term stock incentives, such as stock option awards to senior executives. Grants of stock options to senior executives are discretionary and determined by the Compensation Committee using its business judgment. The Compensation Committee believes that grants of stock option awards provide incentive for the creation of shareholder value since the full benefit of the grant to each senior executive can only be realized with an appreciation in the price of our common stock. Stock options granted to our senior executives have been granted only pursuant to our Long-Term Incentive Plan. No stock options were granted to senior executives in 2004.

Chief Executive Officer Compensation. In determining the base salary for Mr. Speese for the 2005 fiscal year, the Compensation Committee considered our performance in 2004, and the level of compensation paid to the highest paid executive at comparable publicly owned companies. Based on these factors, the Compensation Committee established Mr. Speese's 2005 base salary effective January 1, 2005, at \$685,000, which is a 5.4% increase from his 2004 salary level. This placed Mr. Speese's compensation below the median of base salaries paid by comparable publicly owned companies.

The Compensation Committee determined that some bonus payment should be made to Mr. Speese for his 2004 performance, although the bonus payment should be less than the cash bonus amounts paid to Mr. Speese in prior years. Factors considered by the Compensation Committee in determining Mr. Speese's cash bonus amount for 2004 were our financial performance in 2004, accomplishment of executive management leadership objectives by Mr. Speese, Mr. Speese's industry experience and past performance, total cash compensation necessary to retain top executive talent, and other subjective factors. On this basis, the Compensation Committee awarded Mr. Speese a bonus of \$142,500 for services rendered in 2004.

Review of all Components of Executive Compensation. The Compensation Committee has reviewed all components of our Chief Executive Officer's and our other senior executives' compensation, including salary, bonus, equity and long-term incentive compensation, accumulated realized and unrealized stock option gains, and the dollar value to the senior executive and cost to us of all perquisites and other personal benefits.

The Compensation Committee's Conclusion. Based on this review, the Compensation Committee found our Chief Executive Officer's and our senior executives' total compensation, individually and in the aggregate, to be reasonable and not excessive. The Compensation Committee specifically considered that we do not maintain any employment contracts or change of control agreements with such individuals. In addition, when the Compensation Committee considers any component of our Chief Executive Officer's and our other senior executives' total compensation, the aggregate amounts and mix of all the components, including stock holdings and accumulated realized and unrealized stock option gains, are taken into consideration in the Compensation Committee's decisions.

Internal Pay Equity. The Compensation Committee reviews each component of senior executive compensation, as well as total senior executive compensation, for internal consistency relative to other officers and employees at our corporate office. The Compensation Committee believes that the relative difference between senior executive compensation and the compensation of our other officers and employees at our corporate office is consistent with such differences found in our peer group and our reference labor market.

Section 162(m). Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation over \$1,000,000 paid for any fiscal year to the chief executive officer and four other most highly compensated executive officers. Any awards pursuant to our Long-Term Incentive Plan qualify as deductible

performance-based compensation under Section 162(m), so that any compensation realized from the exercise of stock options would not be affected by Section 162(m). Compensation paid this fiscal year which is subject to the Section 162(m) cap is not expected to exceed \$1 million for any senior executive. Therefore, the Compensation Committee believes that we will not be subject to any Section 162(m) limitations on the deductibility of compensation paid to our senior executives for the 2005 fiscal year. The Compensation Committee may in the future award compensation which would not comply with the Section 162(m) requirements for deductibility if the Compensation Committee concluded that to be in our best interest.

⁽¹⁾ Other than Mr. Davis, the named executive officers did not receive any annual compensation not properly categorized as salary or bonus, except for certain perquisites or other benefits the aggregate cost of which did not exceed the lesser of \$50,000 or 10% of the total of annual salary and bonus for each such officer.

⁽²⁾ Represents deemed compensation as a result of non-business use of our corporate aircraft.

⁽³⁾ Represents tuition paid by us for an Executive Masters of Business Administration (EMBA) program attended by Mr. Davis.

⁽⁴⁾ In July 2003, Mr. Doll was granted 25,000 options to purchase our Common Stock on a one-for-one basis pursuant to our Long-Term Incentive Plan. The options vest over four years and expire ten years from the date of grant.

Use of Corporate Aircraft: We own and operate a corporate jet for use by management for business purposes. From time to time, the corporate aircraft is available for non-business use to our Chief Executive Officer, President, Chief Operating Officer, Chief Financial Officer and Executive Vice Presidents. Use of the corporate aircraft by these executives for reasonable non-business use is subject to availability and must be pre-approved by the Chairman of the Audit Committee. Upon approval by the Chairman of the Audit Committee, the requesting executive must pay to us, in advance, 110% of the estimated total cost of the requested use of the corporate aircraft. If the actual cost for the non-business use of the corporate aircraft exceeds the advance deposit made by the requesting executive, the additional amount is deemed compensation to the requesting executive and reflected on his W-2 earnings statement for the year. During 2004, Messrs. Speese and Fadel each received compensation in the amount of \$1,428 and \$654, respectively, as a result of non-business use of the corporate aircraft.

2004 Option Holdings: The following table contains the number of shares received and the dollar value realized upon the exercise of options by our named executive officers during 2004, as well as values for "in the money" options, meaning a positive spread between the year-end share price of \$26.50 and the exercise price for the options held by our named executive officers. These values have not been, and might never be, realized. The options might never be exercised, and the value, if any, will depend on the share price on the exercise date.

Stock Option Plans: We have one stock option plan entitled the Amended and Restated Rent-A-Center, Inc. Long-Term Incentive Plan. The Long-Term Incentive Plan is for the benefit of certain key employees, consultants and directors, and has been approved by our stockholders. The Long-Term Incentive Plan provides the Board of Directors broad discretion in creating equity incentives. Under the Long-Term Incentive Plan, 14,562,865 shares of our Common Stock were reserved for issuance under stock options, stock appreciation rights or restricted stock grants. Options granted to employees under the Long-Term Incentive Plan generally become exercisable over a period of one to four years from the date of grant and may be exercised up to a maximum of ten years from date of grant. Options granted to directors are exercisable immediately. There have been no grants of stock appreciation rights and all options have been granted with fixed prices.

There were no options issued to any of our named executive officers under the Long-Term Incentive Plan during 2004.

Intrust Bank: J.V. Lentell, one of our directors, serves as Vice Chairman of the Board of Directors of Intrust Bank, N.A., one of our lenders. Intrust Bank, N.A. is a \$7.0 million participant in our senior credit facility. We also maintain operational checking and other accounts, including a \$10.0 million revolving line of credit, with Intrust Bank, N.A. Although from time to time we may draw funds from the revolving line of credit, no funds were advanced as of March 25, 2005. In addition, Intrust Bank, N.A. serves as trustee of our 401(k) plan. During 2004, we paid Intrust a total of \$868,012 in fees in connection with banking services provided by them, of which \$627,241 was for administration fees and trustee fees for our 401(k) plan.

Apollo Management IV, L.P.: On August 5, 1998, affiliates of Apollo Management IV, L.P. purchased \$250 million of our Preferred Stock. Apollo had voting control of 100% of our Preferred Stock, which gave them the right to elect two individuals to our Board. In addition, pursuant to the stockholders agreement we entered into with Apollo and Mr. Speese, Apollo had the right to designate a third individual for nomination as a director who was to be elected by all of our stockholders. Under the terms of the [Preferred Stock and the](#) stockholders agreement, Apollo now has the right to designate only one individual for nomination as a director to be elected by our stockholders. Mr. Berg has been designated by Apollo to serve as a Class II director, and Apollo previously designated Mr. Copes to serve as a Class I director, and Mr. Jhawar to serve as a Class III director.

In connection with the issuance of our Preferred Stock, we entered into a registration rights agreement with Apollo, which, among other things, granted them two rights to request that their shares be registered. Apollo currently holds two rights to demand registration of their shares under this agreement. We registered the shares of common stock acquired by Apollo upon the conversion of all but two shares of our Preferred Stock held by them on a Form S-3 registration statement that was declared effective in September 2004.

Deleted: Under the terms of the stockholders agreement, Apollo now has the right to designate one individual for nomination as a director to be elected by our stockholders.

Texas Capital Bank : ColorTyme is a party to an agreement with Wells Fargo Foothill, Inc., who provides \$50.0 million in aggregate financing to qualifying franchisees of ColorTyme. Under this agreement, the occurrence of certain events may result in ColorTyme paying the outstanding debt to Wells Fargo Foothill and then succeeding to the rights of Wells Fargo Foothill under the debt agreements. An additional \$15.0 million of financing is provided by Texas Capital Bank, National Association under an arrangement similar to the Wells Fargo Foothill financing. Mr. Speese is a passive investor in Texas Capital Bank, owning less than 1% of its outstanding

equity. We guarantee the obligations of ColorTyme under these agreements up to a maximum amount of \$65.0 million, of which \$26.3 million was outstanding at March 25, 2005.

DLA Piper Rudnick Gray Cary: In 2004, our subsidiary, ColorTyme, engaged DLA Piper Rudnick Gray Cary to represent it in a bankruptcy matter involving a former franchisee. We paid approximately \$86,000 in fees and expenses to DLA Piper Rudnick Gray Cary for this representation, and the matter is now closed. Mr. Arney is Senior Policy Advisor with DLA Piper Rudnick Gray Cary. The Board considered this engagement in making its determination that Mr. Arney is "independent" as defined by SEC and Nasdaq rules.

Committee Interlocks: None of our executive officers served as a member of the compensation or similar committee or as a member of the Board of Directors of any other entity of which an executive officer served on the Compensation Committee or Board of Directors of Rent-A-Center.

OTHER BUSINESS

The Board does not intend to bring any business before the annual stockholders meeting other than the matters referred to in this notice and at this date has not been informed of any matters that may be presented to the annual stockholders meeting by others. If, however, any other matters properly come before the annual stockholders meeting, it is intended that the persons named in the accompanying proxy will vote pursuant to the proxy in accordance with their best judgment on such matters.

The Audit Committee of the Board has considered whether Grant Thornton's provision of services, other than services rendered in connection with the audit of our annual financial statements, is compatible with maintaining Grant Thornton's independence.

Representatives of Grant Thornton LLP, the Company's independent registered public accounting firm for the fiscal year ended December 31, 2004, will attend the annual stockholders meeting and be available to respond to appropriate questions which may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

The Audit Committee annually reviews the performance of our independent registered public accounting firm and the fees charged for their services. The Audit Committee anticipates, from time to time, obtaining competitive proposals from other registered independent public accounting firms for our annual audit. Based upon the Audit Committee's analysis of this information, we will determine which registered independent public accounting firm to engage to perform our annual audit each year.

AUDIT COMMITTEE REPORT

Formatted: Page break before

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board in fulfilling its oversight responsibilities by, among other things, reviewing the financial reports and other financial information provided by the Company to any governmental body or the public.

In discharging its oversight responsibilities, the Audit Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the firm and the Company that might bear on the auditors' independence consistent with Independent Standards Board Standard No. 1, discussed with the independent auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence. The Audit Committee also discussed with management, the internal auditors and the independent auditors the integrity of the Company's financial reporting processes, including the Company's internal accounting systems and controls, and reviewed with management and the independent auditors the Company's significant accounting principles and financial reporting issues, including judgments made in connection with the preparation of the Company's financial statements. The Audit Committee also reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements of the Company.

The Audit Committee reviewed the audited consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2004 with management and the independent auditors. Management is responsible for the Company's financial reporting process, including its system of internal control over financial reporting (as defined in Rule 13a-15(f) promulgated under the Securities Exchange Act of 1934), and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for auditing those financial statements, and expressing an opinion on (i) management's assessment of the effectiveness of internal control over financial reporting and (ii) the effectiveness of internal control over financial reporting. The Audit Committee's responsibility is to monitor and review these processes. The members of the Audit Committee are "independent" as defined by SEC and Nasdaq rules, and, although our Board has determined each member of the Audit Committee is an "audit committee financial expert" as defined by SEC rules, none of the members of the Audit Committee represent themselves to be, or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

For the fiscal year 2004, management completed the documentation, testing and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002, and related regulations. The Audit Committee monitored the progress of the evaluation and provided oversight and guidance to management during the process. In connection with this oversight, the Audit Committee received periodic updates provided by management and the independent auditors. At the conclusion of the process, management provided the Audit Committee with a report on management's assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2004.

Based upon the above-mentioned review and discussions with management and the independent auditors, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on a review of reports filed by our directors, executive officers and beneficial holders of 10% or more of our shares of Common Stock, and upon representations from those persons, we believe that all SEC stock ownership reports required to be filed by those reporting persons during 2004 were timely made, except that a Form 5 for Mr. Speese was not timely filed in 2004 with respect to a distribution of shares in ~~November, 2003~~ from a grantor retained annuity trust of which Mr. Speese was trustee to remainder trusts for the benefit of Mr. Speese's children. A late Form 5 was subsequently filed to reflect such transaction.

VOTING PROCEDURES / REVOKING YOUR PROXY

Quorum: For purposes of electing our directors and for all other purposes, the holders of a majority of the votes entitled to vote at this year's annual stockholders meeting, including the votes entitled to vote held by the holders of our Preferred Stock, present in person or by proxy, will constitute a quorum.

Votes Required to Approve a Proposal: To be elected, directors must receive a plurality of the shares voting in person or by proxy, provided a quorum exists. A plurality means receiving the largest number of votes, regardless of whether that is a majority. All other matters submitted to you at the meeting will be decided by a majority of the votes cast on the matter, provided a quorum exists, except as otherwise provided by law or our Certificate of Incorporation or Bylaws.

Shares Outstanding and Number of Votes: On the Record Date, there were 74,637,126 shares of our Common Stock outstanding. Each share of Common Stock entitles the holder to one vote per share. On the Record Date, there were two shares of Preferred Stock outstanding. These shares of Preferred Stock entitle the holders to 180 votes in the aggregate.

Abstentions and Broker Non-Votes: Those who fail to return a proxy or attend the meeting will not count towards determining any required plurality, majority or quorum. Stockholders and brokers returning proxies or attending the meeting who abstain from voting on the election of our directors will count towards determining a quorum. However, such abstentions will have no effect on the outcome of the election of our directors.

Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. In the event that a broker does not receive voting instructions for these matters from its customers, a broker may notify us that it lacks voting authority to vote those shares. These "broker non-votes" refer to votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers' instructions. These broker non-votes will be included in determining whether a quorum exists, but will have no effect on the outcome of the election of our directors.

How the Proxies Will be Voted: The enclosed proxies will be voted in accordance with the instructions you place on the proxy card. Unless otherwise stated, all shares represented by your returned, signed proxy will be voted as noted on the first page of this proxy statement.

How You May Revoke Your Proxy: You may revoke your proxy by:

- Delivering a signed, written revocation letter, dated later than the proxy, to Christopher A. Korst, Senior Vice President – General Counsel and Secretary, at 5700 Tennyson Parkway, Suite 100, Plano, Texas 75024;
- Delivering a signed proxy, dated later than the first one, to Mellon Investor Services LLC, 85 Challenger Road, Ridgefield Park, NJ 07660, Attn: Norma Cianfaglione; or
- Attending the meeting and voting in person or by proxy. Attending the meeting alone will not revoke your proxy.

Proxy Solicitation: Our employees will solicit proxies for no additional compensation. We will reimburse banks, brokers, custodians, nominees and fiduciaries for reasonable expenses they incur in sending these proxy materials to you if you are a beneficial holder of our shares.

SUBMISSION OF STOCKHOLDER PROPOSALS

Dates for Submission of Stockholders' Proposals: From time to time, stockholders may seek to nominate directors or present proposals for inclusion in the proxy statement and form of proxy for consideration at an annual stockholders meeting. To be included in the proxy statement or considered at an annual or any special meeting, you must timely submit nominations of directors or proposals, in addition to meeting other legal requirements.
